Another proposal to move EMS into Fire has popped up in Chatham-Kent. As you may know our paramedics in Sault Ste Marie were managed through the City Fire Department but will be operating as a stand-alone EMS run directly by the upper-tier municipality this year. One step forward.

In Chatham-Kent, SEIU represents paramedics employed on contract with Medavie which is the EMS provider.

The four unions involved in the Paramedic Working Group are mobilizing both paramedics and their supporters to rally on JUNE 13th front of the emergency department at Chatham-Kent Health Alliance at 80 Grand Ave. W. Chatham, ON between 4:00 pm and 4:15 pm.

Unifor flags would be most welcomed.

Any support that could be offered would be welcomed
